This scope certificate, in conformity with client's licensee agreement, and based on RTRS scheme standards and Policies, gives the right to make claims related to this certification for the product (s), unit (s) and process (es) mentioned above.

This certificate including the annex remains the property of Associação Control Union Certificates and can be suspended or withdrawn in case of non-compliance with the relevant requirements set forth in RTRS scheme, terminations as mentioned in the licensee agreement, or in case changes or deviations of the above-mentioned data occur. The certificate holder is obliged to inform Associação Control Union Certificates immediately of any changes in the above-mentioned data. Only an original and signed certificate is valid.

This certificate and its copies or reproductions shall be returned to Associação Control Union Certificates immediately on request. More information about the client and/or products and/or units can be obtained at the website of CUC (www.certification.controlunion.com) or by contacting Associação Control Union Certificates.
